Summer Term 2021

Thank you for entering the Summer Term Virtual Competitions, you will now take part in 6 Virtual Competitions rounds during the Summer Term. There will be a variety of whole school, and individual class or small groups of students competitions.

How are this term's competitions different from before?

For each round your school will compete against one other school. This will be different for each round. Points will be awarded depending if you win, lose or draw for that challenge.

School can earn bonus points if the school does extra tasks too! Your school's current position in the league can be found on www.letsgetahead.co.uk

How can we earn points for our school?

A school will be allocated the points in the league table each week. If a school wins the fixture they will be allocated 10 points; lose the fixture 2 points; draw the fixture 5 points.

An additional 10 bonus points are available to all schools each week by completing tasks and challenges. These could prove crucial in final league standings as the weeks progress.

When will the fixtures and competitions be announced?

Your school fixture will be announced when your school receives details of the next competition

What happens if we win the league?

A Trophy and a whole school event of your choice, will be awarded to the school who finishes at the Top of the League.

Round 1 - Active Travel

STEPS TO SUCCESS

- Each school will receive 2 Fitbit zips.
- For each day of this competition, select 1 boy and 1 girl from the year group to record their steps during the school day. This does not include the child's journey to and from school, as all steps must be recorded on school site.
- On 'Teacher Tuesday' a different staff member for each Tuesday can add their steps to the student steps for the daily score, using their own device. If that staff member is the head teacher or deputy headteacher then a bonus point can be earned.
- The same staff member is not able to complete the data for both 'Teacher Tuesdays'.
- The school you manages to do the most steps over the 2 weeks in your fixture will win
