Improvised equipment is not used if it compromises safe practice. Competition areas are suitable size for age and ability of those involved. Approximate course length is clearly stated prior to the event. Replacement and repair of equipment is acted upon promptly when reported. Participants are made aware of hazards and possible risks. A fire assembly point is established at each site and all staff and participants know where this is. Where possible venues are selected with adequate off road parking facilities. These are available at Central Park and App Frod Sports and Social Club. Vehicles with access to site are restricted to low speed.
